

**İZMİR INSTITUTE OF TECHNOLOGY**  
**FACULTY OF ENGINEERING**  
**SCHEDULE FOR COURSES IN FALL SEMESTER 2026-2027**

**DEPARTMENT: CHEMICAL ENGINEERING**  
**PROGRAM: GRADUATE**

|                     | Monday                                                                           | Tuesday                                                                                                                                                                           | Wednesday                                                                                                 | Thursday                                                                                     | Friday |
